GP & J BAKER

Taking our inspiration from history and making design relevant for interiors today, GP & J Baker's exciting collaboration with Historic Royal Palaces has produced an exceptional collection. Spanning nearly a thousand years of history, these iconic buildings include the Tower of London, Hampton Court Palace, Banqueting House, Kensington Palace, Kew Palace and Hillsborough Castle, all owned by the Queen on behalf of the nation and are managed by Historic Royal Palaces.

Elements of their spectacular gardens, architecture and interiors have been brought together to create an outstanding group of richly diverse designs. These magnificent royal residences have been brilliantly interpreted by GP & J Baker with this superb collection of decorative prints and embroideries, shimmering silks, supple velvets and a very special range of stunning weaves.
